

Self-Propelled Line Striping System
LineLazer V 250SPS

The LineLazer IV 250SPS is a stand-on line striping solution for improved visibility and razor sharp lines.

High performance striping with the exclusive automatic paint guns makes the LineLazer V 250SPS the preferred striper for professional contractors who demand hydraulic power. This striper is ideal for large, heavy-duty line striping jobs including parking lots and road jobs.
